

Interactive Digital Multimedia

Your project is to make an Interactive Digital Multimedia product about a **place** that you love

The product will need to use text, images and some other type of media

To start with, you need to **choose the place**

Interactive Digital Multimedia

Plan and make an Interactive Digital Multimedia Product about a **place**:

- a map or image as the “home screen”
- at least **6** different detail slides
- **multimedia** - text, images & something else
- made in **PowerPoint** and linked using **kiosk mode**
- assume the user will interact using a **touch screen**
