Order of work

1. Make sure **planning document** is done - check folder and file names

2. **Draw** some **design sketches**

3. **Source** images to use and **add details to assets table**

4. **Edit images** - colour, saturation, b&w, transparency, cropping etc…

5. **Compose cover**

Order of work

Expected folder:

📁	Attachments
📁	**CD COVER**
📁	COMPSCI
🖥️	Desktop

Name

📄 cd_assets

📄 cdcover300ppi
